The screenshot shows the 'GPS GATEWAY' web application interface. At the top, it says 'Track Any Where Any Time' and 'Administrator'. The main area is a map of India with numerous colored location pins (red, yellow, blue) representing tracked vehicles. A popup window is open over a red pin in Gujarat, displaying the following information:

Status	Stop
Vehicle No	Rj03ua3560
Last Data	2019-08-11T17:35:53
Speed	0
Address	Unnamed Road, Somnath, Gujarat 362268, India

At the bottom of the monitor, there are two buttons: 'Download on the App Store' and 'GET IT ON Google Play'.
